Mark's Tire & Muffler Shop

Daily POS Quick Reference & Counter Staff Workflow

STANDARD OPERATING PROCEDURE

Easy 4-Step Daily Routine

1 Ring Up Counter Sale (Quick Sale / POS)

1. Click **Quick Sale** or **POS** in the left navigation menu.
2. **Add items / services** to invoice:
   - Type tire size (e.g. `205/55R16`, `225/65R17`) or service (Mount & Balance, Flat Repair).
   - For exhaust: select Muffler, Catalytic Converter, Pipe Welding, etc.
3. **Collect payment:**
   - 💵 **Cash:** Enter amount received. Cash goes straight into your till drawer.
   - 💳 **Card:** Swipe or tap card on the counter payment terminal.
4. Click **Complete / Pay** → Receipt prints or displays immediately!

2 Automatic Shop Separation

The POS automatically routes money into the right shop without any manual math:

Shop	Keywords / Items	Reports As
🛞 Tires Shop	Tire sizes (`205/55R16`), Used Tires, New Tires, Mount, Balance, Valve Stem	Tires Daily Gross, Tires Cash in Drawer
🔧 Mufflers Shop	Muffler, Catalytic Converter, Exhaust Pipe, Hanger, Welding Labor	Muffler Gross, Muffler Card/Cash Totals

> 💡 **Multi-item sale?** If a customer gets both a tire and a muffler weld, the POS automatically splits the revenue to each shop's ledger accurately.

3 Checking Money Received (Finance Page)

- Open **Finance** from the left menu to view all transactions.
- **Cash Payments (💵):**
  - Clearly tagged as 💵 `Cash` & ✓ `In Cash Drawer`.
  - **No bank reference or payout confirmation needed** — cash is already physically in your counter drawer!
- **Card Payments (💳):**
  - Tagged as 💳 `Card (Counter Terminal)`. Settled through card processor clearing.

> ✓ **Zero Confusion:** Cash is in hand immediately; card payments reconcile with your batch terminal report.

4 End of Day: Print Daily Sales PDF (< 1 Min)

At daily closing time, generate your printable sales report:

1. Click **Reports** from the left menu.
2. Date Filter is set to **Today** by default.
3. Click your desired 1-click PDF button:
   - 🖨️ **Print Tires PDF:** Prints only Tires Shop sales & invoices.
   - 🖨️ **Print Mufflers PDF:** Prints only Mufflers Shop sales & invoices.
   - 🖨️ **Print / Save as PDF:** Complete consolidated shop report.
4. Print directly to paper or choose **"Save as PDF"** for owner record keeping.
